

E6

Best-loved specialty coffees at the touch of a button

Benefits at a glance

- Even more aroma for even more enjoyment with the Professional Aroma Grinder
- Fine milk foam for cappuccino made to perfection
- Prepare the perfect coffee the easy way - thanks to the 2.8" color display
- Sustainable design and premium craftsmanship

Cappuccino with a master touch: Treat yourself to perfect coffee every day with the E6. In addition to classic black coffee specialties, it makes the crowd favorite, the cappuccino, to perfection thanks to the Easy Cappuccino function. The Professional Aroma Grinder, by virtue of its more consistent grinding result, ensures that you get more aromatic coffee, while the sophisticated operating concept with color display and buttons means coffee preparation is boiled down to the basics at the touch of a button thanks to simple, straightforward user guidance. Its timeless, elegant design makes the E6 an eye-catching feature in every kitchen.

Technical overview

Specific advantages

Number of specialties	11
