

J10 twin Diamond Onyx (NAA)

Two grinders for two different coffee varieties

This is a real all-rounder, offering an experience that is the best of all worlds. The J10 twin is equipped with two P.A.G.3+ precision grinders and refines every coffee to perfection. As the first model in the J line, this impressive product offers aromatic and extended Hot Brew specialties, trendy Cold Brews and mildly aromatic Light Brews – finished off with subtly sweetened milk foam if desired. No fewer than 46 different options are available to enjoy aromatic, creative and refreshing coffee moments.

Thanks to Swiss engineering, the J10 twin is a technical masterpiece that offers perfect coffee enjoyment in an extremely versatile way. The grinders in these multi-talented appliances are characterized by precision, longevity and the added bonus of personalized enjoyment. With a modern, user-friendly design and high-quality materials, the J10 twin embodies premium quality and functionality in a single machine.

Features at a glance

- 46 specialties - Hot Brew, Cold Brew, Light Brew and Sweet Foam
- Two P.A.G.3+ grinders for an extended coffee selection and consistently excellent taste
- Intuitive operation and clear overview thanks to Panorama Coffee Panel with touch function
- From performance to format to design: The J10 twin represents an impressive overall experience.
