

S8

Innovation and indulgence in elegant harmony

Benefits at a glance

- Modern design with easy-to-use swipe controls
- Sweet Foam function for extra-special coffee treats
- P.A.G.2 grinder for consistently excellent coffee results
- Automatic one-touch milk system cleaning for ultimate maintenance convenience

The stylish S8 is a favorite among coffee lovers and design aficionados alike. Its sculptural design and high-quality craftsmanship make an immediate statement of discerning taste. Innovative technology offers an entire range of specialty coffees, all available at the touch of a button. The Sweet Foam function adds a hint of sweetness to the milk foam, enhancing the enjoyment of many specialties. The 4.3" touch display is intuitive and user-friendly, while the automatic milk system cleaning feature ensures impeccable hygiene with effortless activation. By connecting the S8 to your home Wi-Fi network, you can access the complimentary, regularly updated JURA Operating Experience (J.O.E.®) app.
