

PROFESSIONAL

W8

The compact, versatile choice

Benefits

- Professional Aroma Grinder for outstanding coffee quality
- Unequivocally professional thanks to a 3.5-inch display with buttons and the Coffee Eye
- Compact JURA design with classic lines in a Dark Inox color

Recommended accessories

- Cool Control 2.5l
- Cool Control 1.0l
- Milk pipe with stainless steel casing
- Wi-Fi Connect

Areas of use

- Offices
- Factories and workshops
- Stores
- Business premises
- Studios

Recommended maximum daily output: 50 cups

One of the standout features of the compact W8 is its versatility, offering a menu of 17 expertly prepared specialty coffees. Its exceptional performance is further enhanced by the Professional Aroma Grinder (P.A.G.2) and fine foam technology. The W8 is also remarkably user-friendly, thanks to its intuitive navigation, clearly organized menu, and the Coffee Eye smart cup sensor, which ensures maximum convenience for every coffee lover. This professional machine provides numerous benefits for operators, including automatic milk system cleaning, a lockable bean container and water tank and adjustable program settings. Designed to meet the demands of offices, salesrooms, and businesses, the W8 can prepare up to 50 specialty coffees daily with ease and efficiency.
