

Z10 Aluminium Black (NAB)

51 Specialties – Hot, Light, Cold and Sweet

The Z10 celebrates the diversity of coffee and this second generation model offers an impressive range of beverages. In four worlds of indulgence – Hot, Light, Cold and Sweet – it demonstrates its coffee credentials and composes a symphony of intense, mild, fruity and subtly sweetened notes. It conjures up a total of 51 specialties, from classics such as espresso and cappuccino to popular and exciting drinks. The Sweet Foam world is also enriched with a new, incomparable character: Thanks to the chocolate attachment, the Z10 can serve up delicious mocaccino and chocolate foam at the touch of a button. Another addition to the selection from this premium automatic coffee machine is the Long Black, which is very popular in Australia and New Zealand and offers a surprisingly mild profile.

For its outstanding expertise, the Z10 is equipped with a P.R.G.2+ precision grinder and can master five different brewing processes, calling on innovative technologies. The Coffee Timer, Caffeine Regulator, Milk Assistant and Quality Assistant make up the smart quartet reserved for the Z10, underlining its unmistakable excellence. This specialty virtuoso device remains true to its design: It offers a fascinating and timeless elegance, exhibiting the utmost precision in every detail – for true, long-lasting pleasure.

Features at a glance

- Hot, Light, Cold and Sweet: Four worlds of indulgence and 51 specialties
- Innovative technologies such as the Coffee Timer and Caffeine Regulator revolutionize personal coffee enjoyment
- Precision grinding thanks to the Product Recognizing Grinder (P.R.G.2+)
- Timeless design and maximum ease of use for a perfect coffee experience

Technical overview

Specific advantages

Number of specialties	51
Cold Extraction Process	■
Light Extraction Process	■
Sweet Foam Function	■
Chocolate-flavored milk foam products	■
Caffeine Regulator	■
Coffee Timer	■
Active bean monitoring	■
Automatic switching between milk and milk foam	■
Automatic Grinder Adjustment (A.G.A.)	■
Aroma control	■
Wi-Fi connection to home network	■
Transmitter supplied as standard	Wi-Fi Connect

JURA coffee machine standards

Grinder	P.R.G.2+
Powder chute for ground coffee	■
Lungo function	■
Pulse Extraction Process (P.E.P.®)	■
Variable brewing unit	5 – 16 g
High-performance pump, 15 bar	1
Thermoblock heating system	1
Fluid systems	1
Milk system/interchangeable milk spout	HP3/CX3

Energy standards

Energy Save Mode (E.S.M.®)	■
Zero-Energy Switch or power switch	■
Programmable switch-off time	■

Design and materials

Aluminum front panels	■
Cup illumination	■
Water tank illumination	■

15792, Aluminium White

15811, Diamond Onyx

Operating and programming standards

Display	4.3" touchscreen color display
Position, duplicate and personalize products according to personal preference	■
Individually programmable quantity of coffee water	■
Individually programmable coffee strength	10 levels
Individually programmable consistency of grind	7 levels
Individually programmable brewing temperature	3 levels
Individually programmable amount of milk/ milk foam	■
Individually programmable milk/ milk foam temperature	3 levels
Individually programmable hot water temperature	3 levels
Compatible with J.O.E.®	■
Rotary Switch	■

Hygiene standards

Milk Assistant	■
Quality Assistant	■
Automatic filter detection	■
Filter cartridge	CLEARYL Smart+
One-Touch milk system cleaning (automatic)	■
Integrated rinsing, cleaning, and descaling program	■
Monitored drip tray	■
